

MENSTRUAL PADS DRIVE

What are the most needed items?

- ✔ New and unopened packages of menstrual pads.
- ✔ We have no brand preference. They are available at all local stores including CVS, Walmart, Target, and grocery stores.

Why are they needed?

- ✔ We offer menstrual products to all of our clients. We want to ensure they have access to this basic hygiene essential so they can live with dignity.
- ✔ SNAP benefits (formerly food stamps) cannot be used to purchase this essential item.
- ✔ These items are rarely donated to shelters and food pantries.
